PATIENT REFERRAL TRANSPORT SCHEME

A unique Initiative giving our patients confidence in travelling to face-to-face appointments

With over 20 years' experience in Private Medical Practice Management, our team understands the concerns patients may have in attending appointments in these extraordinary times. As the hospitals and clinics introduce phased reopening and face-to-face appointments are offered once again, we have introduced a referral based scheme, to assist and provide you with an option for stress-free, clean, safe, dedicated travel to and from clinics, whilst securing affordable fair price fares for all.

About Us – The Details

The PRTS offers access to a carefully curated and vetted community of experienced London Black Cab Drivers who will be responsible for providing reliable and safe transport from the front-door of patients in London, and the surrounding areas, to the consultation location and back again. These journeys will be pre-arranged and pre-paid, providing security to both the drivers and the patients. An affordable fair fixed fare scheme, will be adopted creating a stress-free process for all parties.

How Do I Access The Scheme?

- On booking an appointment with your Consultant, you will be advised of the Scheme
- You may contact us direct via email or phone, or ask the secretary to let us know

Key Benefits:

Dedicated, reliable & friendly Black Cab team of drivers

Safe, comfortable and affordable travel

Door-to-door trips with option for waiting

No need to travel on public transport & no parking/congestion fees

Safe and affordable travel with lowest possible rates secured exclusively for our patients

PATIENT REFERRAL TRANSPORT SCHEME

A unique Initiative giving our patients confidence in travelling to face-to-face appointments

Our carefully selected and dedicated team of London Black Cab Drivers are committed to providing the lowest possible rates, secured exclusively for our patients. Our Black Cabs are guaranteed to be cleaned after each ride, with the added benefit of a glass partition between yourself and the driver, allowing you to feel safe and protected during your journey to clinic.

These journeys will be pre-arranged and pre-paid, providing security to both the drivers and the patients. An affordable fixed fare scheme, will be adopted creating a stress-free process for all parties.

What will it cost?

Your fare will be costed by our office based on the distance and time of travel and is guaranteed to be lower than any other London Black Cabs and competitive with other taxi services with a Minimum Fare of £10 each way. You will be given the option of securing the same driver with an additional pre-booked waiting fee of **£7.50** up to 45 mins and **£5** up to 30 mins thereafter. For those travelling from more than **12.5** miles away we will provide you with a special fare quote or can arrange pick-up and drop-offs at nearby mainline stations.

Book early to ensure we have a driver available for your journey.

BOOKING OPTIONS:

Return journey with waiting (same driver)

Return journey (no waiting – i.e. different drivers)

Single Journey

Pick-up/drop offs from nearby mainline stations (Paddington, Marylebone, Baker Street, Euston & Kings Cross) +/- waiting

Request Special Quote (where more than 12.5 miles each way)
